Overview

Specification

The Centurion S28NBRP CoolCap Navy Blue Bump Cap offers light head protection against minor bumps and scrapes. Great for protection when working in close, confined spaces or areas with low ceilings. Comfortable, fashionable and lightweight (150g) general purpose workwear for use where safety helmets are not required. Not intended to provide protection from moving or falling objects.

This new design bump cap has a soft, brushed cotton outer fitted over an ABS liner with EVA foam padding. It has a reduced 3cm peak and a Velcro headband for a secure and comfortable fit. The cap cover is also machine washable up to 30°C. Tested and certified to EN 812:2012 European standards.
